

The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry
(Berufsgenossenschaft Rohstoffe und chemische Industrie - BG RCI) hereby certifies that

BYK-Chemie GmbH
Abelstr. 45
D-46483 Wesel

meets the requirements of systematic and effective occupational safety and
health on the basis of the

»Systematic Safety« seal of approval

for the industry-specific implementation of

ILO-OSH 2001
guidelines on occupational safety and health management systems
(International Labour Organization).

The assessment also proved that the
OHSAS 18001:2007
guidelines are implemented and that an

Occupational Health Management

has been established according to the common quality criteria for an OH-Management of
the German social accident insurances.

The investigation on 24th January 2018 was carried out in accordance with
the DGUV procedural principles 311-002 for the assessment of
„occupational safety and health management systems“.

This certificate will remain valid until 23rd January 2021.
